THANKS TO OUR LANDOWNERS

Throughout our trail system, generous landowners allow the winter use of their property for the enjoyment of snowmobiling. This land use privilege is crucial to the existence of the snowmobile trail which provide many social, recreational and economic benefits to our entire community. Without the continuing cooperation of these unselfish friends of snowmobiling, the quality of winter life throughout our area would be significantly diminished.

We ask everyone in our community, but especially snowmobilers and those who benefit most directly from snowmobile trails, to say a special thanks to our landowners for the use of their property again this season.

Thank you from
